Vacancy

De Urbanisten is looking for an intern landscape design!

DE URBANISTEN is an innovative office for urban design and landscape architecture based in Rotterdam, The Netherlands. De Urbanisten contributes to a sustainable city design and an attractive and healthy living environment by focusing on climate-sensitive and nature-inclusive design.

DE URBANISTEN is looking for an ambitious and skilled intern. Your portfolio shows relevant projects in the field of landscape architecture and urbanism. You are a talented designer; your visual skills are excellent and you should like to work in a team. Preferably, you are available for 6-month period.

As an intern, you will be part of a driven and dynamic team that works on various projects and provides a friendly working environment with opportunities. Proficiency in the English language is required. Being able to communicate in Dutch would be highly appreciated. However, it is not a must. The starting date is flexible and you will receive a monthly stipend.

If you are interested, please send your CV and your portfolio (pdf and compressed to ≤ 10 MB) to job@urbanisten.nl
